

## Texas Schools ProDoc Download and Installation Instructions

We at ProDoc are delighted to provide you this opportunity to download and install ProDoc on your personal computer (**Windows®-based only, no Macs**) so you can better learn the program. After you install it, you will have unrestricted access to every product and area of law we provide for Texas from now through December 31, 2016.

### Preparation for Installing ProDoc

- There are minimum system requirements regarding the operating system on your computer to run ProDoc. You can read about these at: [FAQ's System Requirements](#)

### Downloading the ProDoc Installation Program

1. Click on the link below. If a new screen does not appear, open a web browser, type the address below into the address bar, and then click **Enter**. Internet Explorer works best for this.

<http://www.prodoc.com/Downloads/PD-TX-581b.exe>

2. Early during the install process you will be asked to enter the following **Installation KeyCode**:

**D8D9-WFKF-Q87X-TB9K-N8HS**

3. We recommend that you download and review the [Step-by-Step Instructions](#) to help you with the installation process.
4. When you are done, you will be asked to create a firm account. Make up your own firm.

### Obtaining Assistance

If you have any questions regarding this or need any assistance, please contact me. But, before you call, make sure you follow the [Step-by-Step Instructions](#). Nearly every call I receive is resolved by reading those instructions.
