

Texas Schools ProDoc Download and Installation Instructions

We at ProDoc are delighted to provide you this opportunity to download and install ProDoc on your personal computer (**Windows®-based only, no Macs**) so you can better learn the program. After you install it, you will have unrestricted access to every product and area of law we provide for Texas from now through December 31, 2020.

Preparation for Installing ProDoc

1. There are minimum system requirements regarding the operating system on your computer to run ProDoc. You can read about these at: [FAQ's System Requirements](#)

Downloading the ProDoc Installation Program

2. If you have previously installed ProDoc, you need to uninstall it now.
3. Click on the link below. If a new screen does not appear, open a web browser, type the address below into the address bar, and then click **Enter**.

<http://www.prodoc.com/Downloads/PD-TX-2020.exe>

4. Early during the install process you will be asked to enter the following **Installation KeyCode**:

9JPL-CX88-PNVG-4KVT-GKQX

5. When prompted, please enter the following **Registration Code**:

WB8T3Q5P79KQFNHLZ0V0ALQ4

6. You can choose to download and install updates or not to download.

Obtaining Assistance

If you have any questions regarding this or need any assistance, please contact me. But, before doing so, make sure you follow the attached **Step-by-Step Instructions**. Nearly every call I receive is resolved by reading those instructions.
